

MANAGEMENT SYSTEM CERTIFICATE

Certificate No:
125483-2012-AQ-GER-DAkKS

Initial certification date:
17. September 1993

Valid:
01. November 2015 - 15. September 2018

This is to certify that the management system of

NEUMAN & ESSER GROUP

Neuman & Esser GmbH & Co. KG

Werkstraße, 52531 Übach-Palenberg, Germany
and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Quality Management System standard:

ISO 9001:2008

This certificate is valid for the following scope:

Sales, engineering, design, research and development, production and repair of reciprocating compressors and compressor packages, of both proprietary and non-proprietary compressors and related parts including grinding and classifying systems, in addition to sealings for oscillating and rotating systems

Place and date:
Essen, 14. October 2015

For the issuing office:
DNV GL - Business Assurance
Schnieringshof 14, 45329 Essen, Germany

Thomas Beck
Technical Manager

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.

ACCREDITED UNIT: DNV GL Business Assurance Zertifizierung und Umweltgutachter GmbH, Schnieringshof 14, 45329 Essen, Germany.
TEL: +49 201 7296-222. www.dnvgl.de/assurance

Certificate No: 125483-2012-AQ-GER-DAkKS
Place and date: Essen, 14. October 2015

Appendix to Certificate

Neuman & Esser GmbH & Co. KG

Locations included in the certification are as follows:

Site	Scope
NEUMAN & ESSER GmbH & Co. KG Werkstraße o. Nr. 52531 Übach-Palenberg, Germany	Production Company Design, engineering, research and development, production and repair of reciprocating compressors and compressor packages for air and process gas under OEM licence and 3rd party, production of grinding and classifying systems, contract manufacture
NEUMAN & ESSER Maschinenfabrik Wurzen GmbH Dresdener Straße 73 04808 Wurzen, Germany	Production Company Design, engineering, production and repair of reciprocating compressors and compressor packages for air and process gas under OEM licence and 3rd party, production of grinding and classifying systems, contract manufacture
